

Windows-QuickShop

Task

task_id:
quickshop.login_20260503
Platform: Windows
App: QuickShop

Task instruction

Open QuickShop and sign in with phone number 13800138000 and password spring2026. After signing in, build a two-item starter cart. First return to the catalog, search "Mountain Isle Pour-Over Coffee", choose Grocery and Price Low to High, open Mounta ... 2, 1, 3, 1; phone stand 2, 1. Stop only when the signed-in cart contains exactly these two products, each at quantity 1.

Windows-Spotube.get

Task

task_id:spotube.get_started_mark
et_canada_disable_endless
Platform: Windows
App: Spotube

Task instruction

In Spotube, the getting-started flow is already open on the Language & Region step. Change Marketplace Region to Canada (CA). Then go to the next step, turn Endless Playback off, continue to the metadata provider/plugins page, and leave Spotube open there.
