

Windows-Drawio

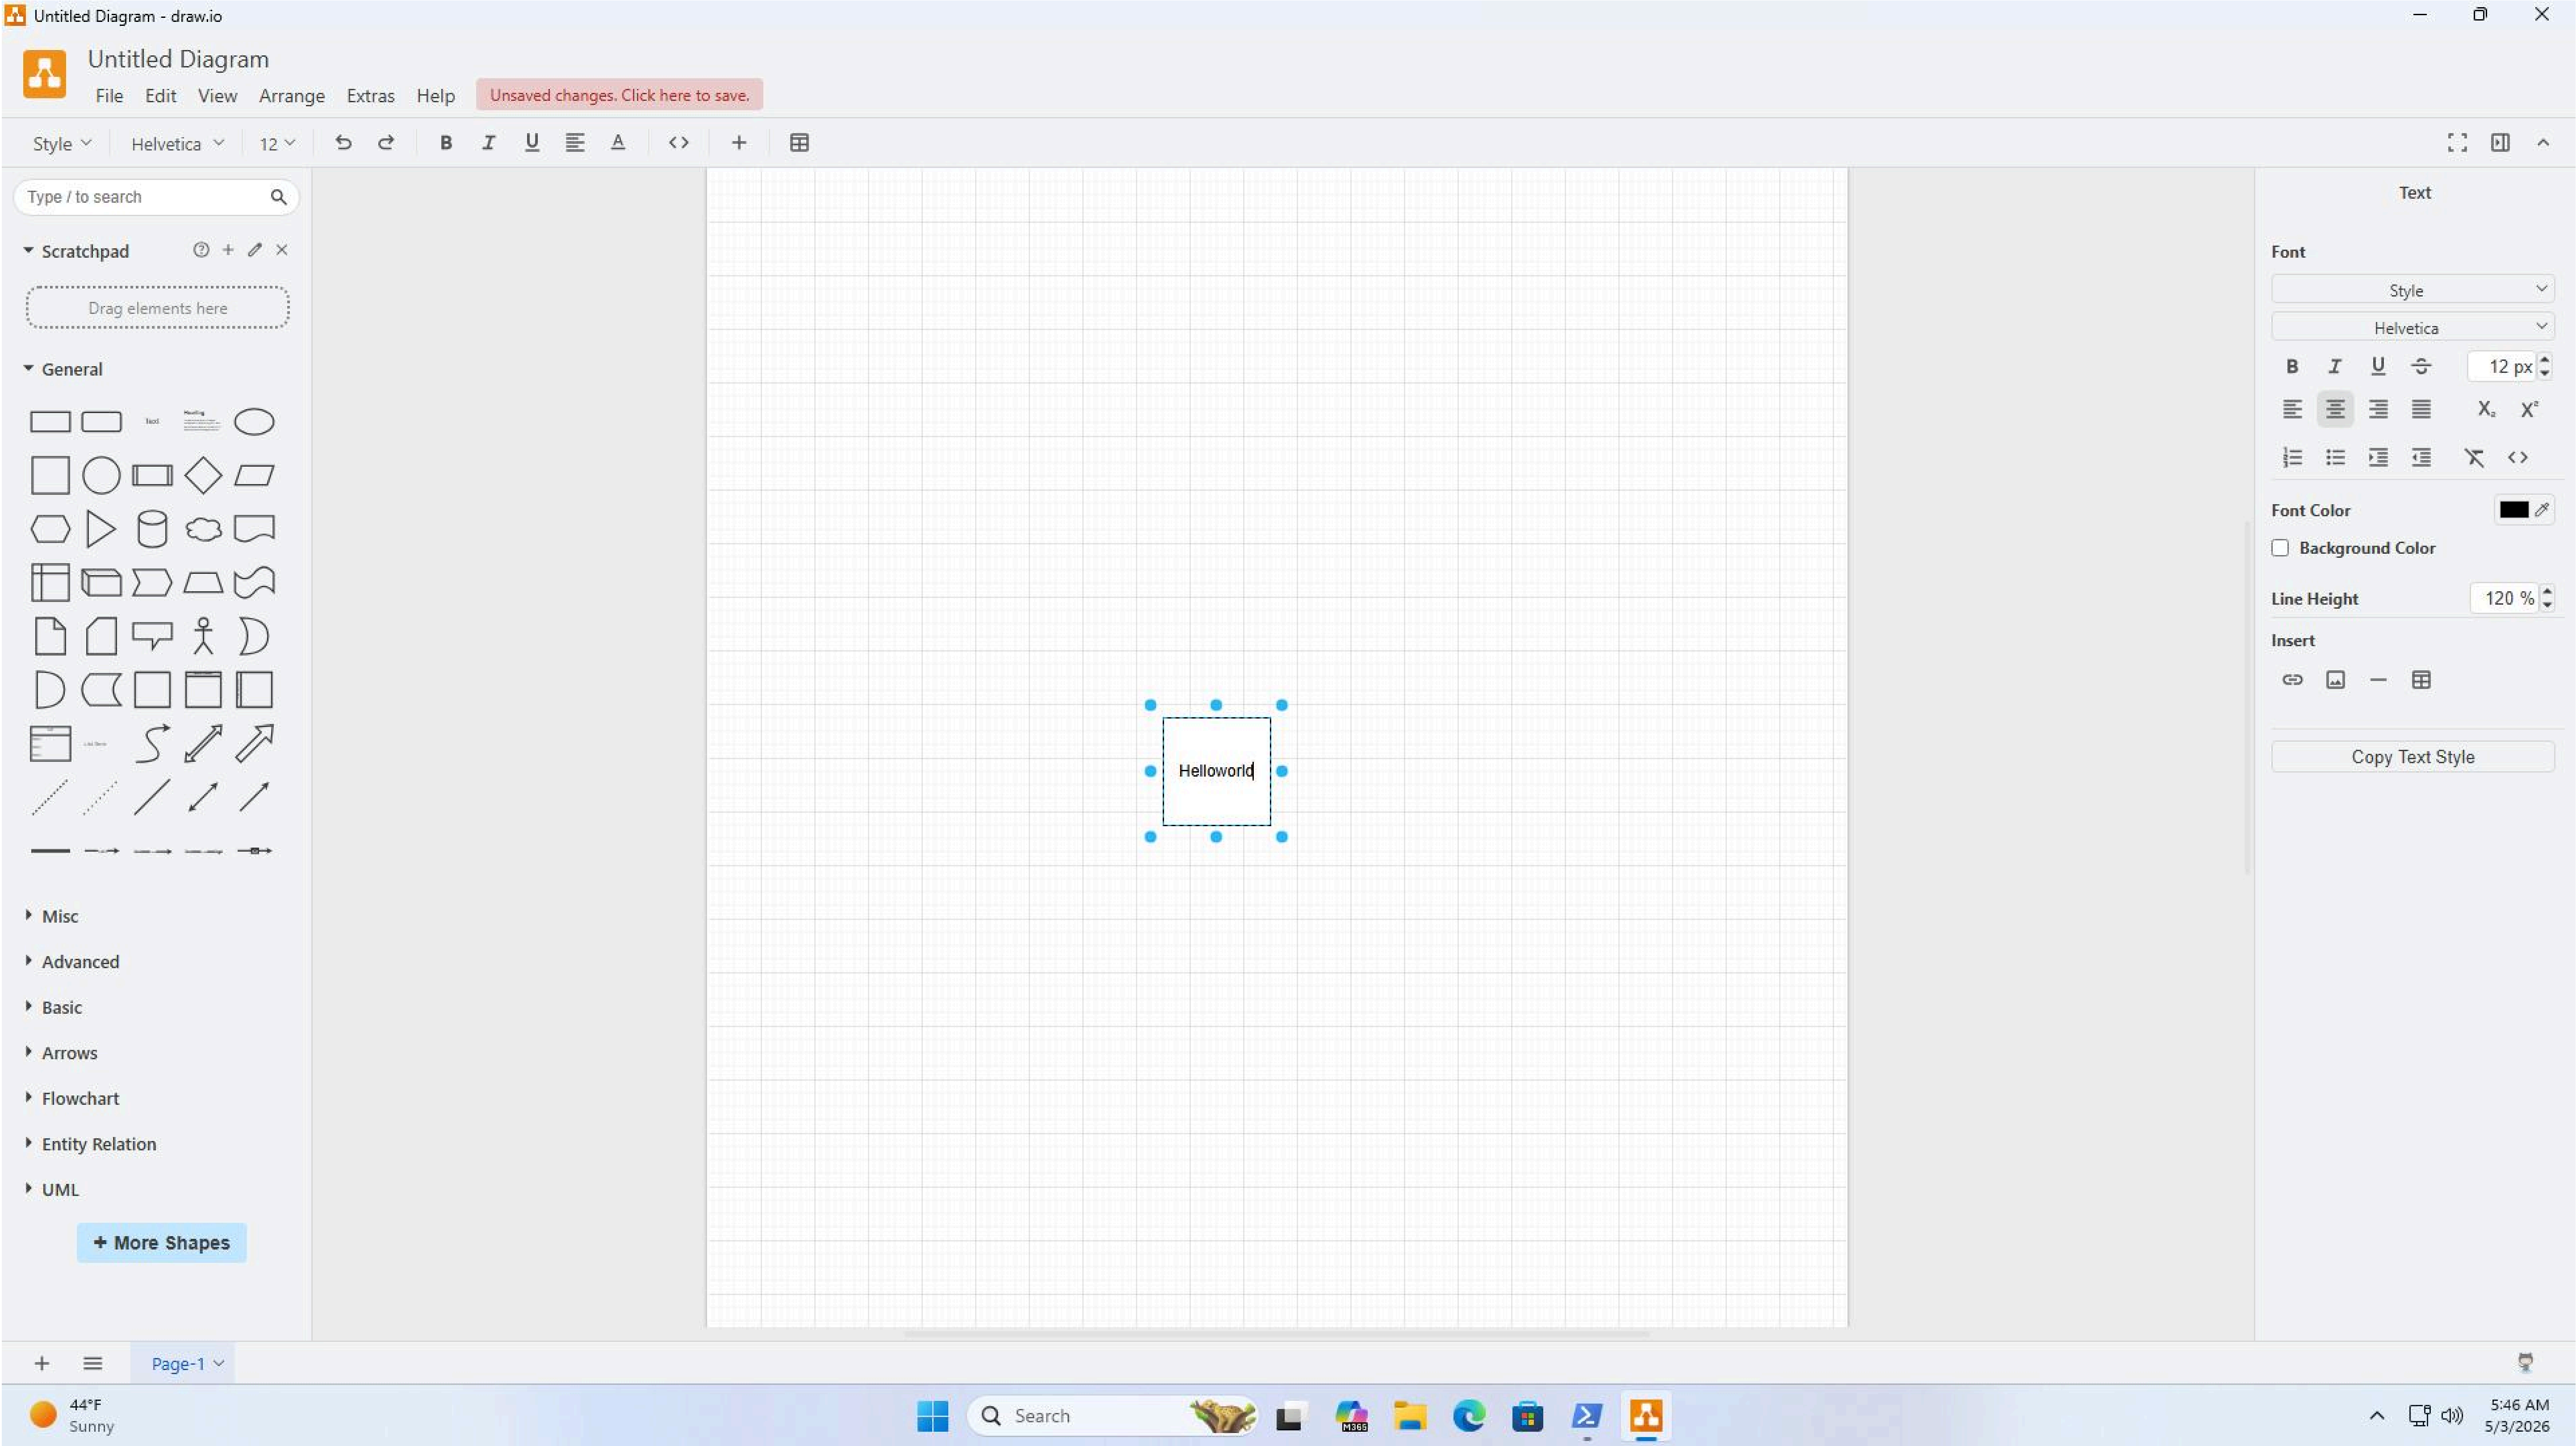

Task

task_id: windows.drawio.square_center_helloworld
Platform: Windows
App: Drawio

Task instruction

In the draw.io desktop app, use the blank diagram that is already opened from C:\\Users\\User\\Documents\\drawio_square_center_helloworld.drawio:

- Add exactly one square.
- Insert the text "Helloworld" and make sure the text is centered in the square.
- Save the currently opened diagram and leave the finished file open.

Windows-Gimp

Task

task_id: windows.gimp.center_helloworld
Platform: Windows
App: Gimp

Task instruction

In GIMP, create a new default image.:

- Add the text "Helloworld" and center it on the canvas.
- Export the finished image to C:\\Users\\User\\Downloads\\gimp_center_helloworld.png, and leave the finished image open.
